WORK HISTORY

Newage Software and Solutions – Lead Implementation

Mumbai, India

05/2024 - Current

- Led end-to-end ERP implementation projects for domestic and international clients, managing requirement gathering, system configuration, UAT, go-live, data migration, and post-implementation support.
- Managed customer relationships and stakeholder communication, serving as the primary point of contact to ensure successful project delivery, user adoption, and high customer satisfaction.
- Collaborated with Product, Development, QA, and Commercial teams to deliver customized solutions, resolve implementation challenges, and ensure timely project execution.
- Conducted product demonstrations, user training, and business process consulting, enabling customers to optimize operations and maximize software adoption.
- Led multiple implementation projects simultaneously, driving process improvements, mentoring team members, preparing project documentation, and ensuring on-time delivery within quality standards.

Lead - Client Relations. (01-Apr-2025 to 31-Mar-2026)

- Conducted regular account reviews with existing clients to evaluate usage patterns, module adoption, and overall satisfaction.
- Identify client challenges or operational bottlenecks and coordinate with internal teams for swift resolution.
- Present upcoming features, product updates, and conduct live demonstrations to enhance client engagement and product value.
- Build strong relationships with key client stakeholders to ensure client retention and identify upsell opportunities.
- Serve as the strategic liaison between clients and product, technical teams to align solutions with client needs.
